

May News

Spring has arrived at TC Dance! It's time to begin preparing for our annual recital. A lot of planning goes into this event. It is our goal to be as organized as possible, keep you informed and ensure a successful and entertaining show.

Picture Week: Next week is picture week. You should arrive at the studio a few minutes prior to your scheduled time. You will wear your costume and any accessories that came with it. If you are a combo dancer, bring everything and the decision about which accessory to wear for the group picture will be made at that time. You can choose which accessory you want for your individual picture. We encourage everyone to come for the group pictures, but you are not obligated to purchase any pictures.

Recital: "If They Could See Me Now" our 22nd recital will be held June 17 and 18 at Cole Auditorium at East Noble High School. There will be three performances: Friday evening at 7pm, Saturday afternoon at 2pm, and Saturday evening at 7pm. We encourage you to bring your child to come and see a performance that they are not in. Watching dance is a part of the learning process and your dancer will benefit from seeing a recital. It's a great opportunity to see fun performances and to discover where the world of dance can take you. Your performance and rehearsal day and time follows. **The dress rehearsals are at Cole Auditorium.**

If your recital performance time is Friday night at 7pm, your rehearsal time is Friday morning at 8:30am for combo dancers and 9am for all other dancers.

If your recital performance time is Saturday matinee at 2pm, your rehearsal time is Friday afternoon at 1pm for combo dancers and 1:30pm for all other dancers.

If your recital performance time is Saturday at 7pm, your rehearsal time is Saturday morning at 8:30am for combo dancers and 9am for all other dancers.

Tickets: The ticket order form is attached. You may order tickets for one, two or three performances with this form. The ticket order form is due May 19th.

Registration: Your fall registration form is attached. Please return it along with the registration fee to the front desk by June 9th for the best class placement (for example: siblings on the same night, consecutive classes, classes that best fit your schedule). If you've ever thought about our competition team, it is beneficial to be trained in all disciplines of dance – ballet, tap and jazz.

Tuition: June tuition is ½ regular tuition. Any dancer with unpaid tuition will be not allowed to participate in either rehearsal or recital. This will be strictly enforced.

Buy a personal ad: Wish your child good luck in this year's recital program. We will again be offering the opportunity to have your child's picture along with a personalized message printed in the 2011 recital program. See examples of last year's program at the front desk. The order form is attached. It must be turned in with payment by May 20th.

Come to Summer Dance!!!
